As he grew he went on an adventure. He went on the rare road tracks. He went exploring. He found beer cans, soda cans, and soup cans. He found a spring. He washed out the six soup cans. He kept on going. IT WAS getting dark. He set up his tent and took his backpack inside his tent. He unpacked his mini TV and mini dresser for his clothes and video games. He unpacked Mable's bed. Mable was already a sleep. He went to bed. The next day he went outside, and he saw a guy. He said whoever finds the most stuff wins this 20-
