Dean of Students

Andy Kolosso
Activities Director

All students and staff:

Welcome to Hortonville High School.

We would like to help you add to your high school experience by inviting you to join our co-curricular program.

This booklet includes academic, athletic, and co-curricular offerings available for all grades at the high school except where noted. These activities are an essential part of the total educational process and an excellent opportunity for the home, school and community to work together. These programs are enjoyable, and occur in a positive climate with appropriate adult leadership and support. Each program is described in the activities guide, and most importantly, the coach/contact person is named. If interested in any activity, let the contact person know.

Again, welcome to Hortonville High School, home of the Polar Bears.

Sincerely,

Thomas Ellenbecker
