

2023-24 UWO Baseball Clinic Offerings

We are approaching the start of our 2023-24 UWO Baseball Clinic Offerings. This year we have decided to place an emphasis on each of the camps in December to ensure that we cover all aspects of the game of baseball. Below, we have listed the dates with the clinic(s) being offered that day. I have included a link to our online registration site for your convenience. The website will contain dates, times, and a brief description of what each clinic entails for the participants. Please note that there are registration maximums and deadlines for each clinic this year do to facility occupancy limits. We are very excited for this year's camps and clinics and hope you would like to join us!
