

# ATTENTION!

## PLAYERS:

3

## WHAT YOU NEED:

\*A deck of cards, face cards removed, aces are ones

## HOW TO PLAY:

Player 1 and player 2 split a deck of cards and set them face down. Player 3 calls "Attention!" Player 1 and 2 place their top card to their forehead. They do not look at their own card, but they do see their opponent's card. Player 3 sees both cards and calls out the total of the two cards. Player 1 and 2 figure out what their own card is. The first one to call out his or her card number correctly keeps both cards. Player 3 declares the correct answer. The winner is the player who has the most cards at the end.
